Welcome to Canary Wharf

You'll be inspired at our venue in Canary Wharf, set in one of London's premier business areas. With fast links to central London by Westferry DLR station and the Jubilee Underground line just a five-minute walk away. In addition, directly opposite our beautiful venue is located the fast cat ferry running every 15 minutes to Central London and Woolwich stopping at Greenwich and many other places along the River Thames.

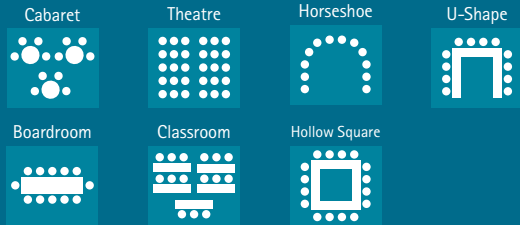

A dedicated conference, training and meeting venue, flooded with natural light and full of the latest high tech facilities. Our 13 flexible business meeting rooms are perfect for when you need a one-to-one or a larger event, up to 400 delegates. We know that modern business never stops, so we'll open for evening cocktails and private dinners in our Steam Bake & Grill Restaurant with private dining rooms.

Impeccable service and venue excellence is the DNA of our business. It's the De Vere Venues difference - and it's why we're the first choice provider for meeting and training events throughout the UK.
