

Beauty that extends for miles...

...in a truly intimate place

The approach up the tree-lined drive, flanked by some 32 acres of the National Trust's beautiful wooded countryside, sets the perfect mood for a very special experience. Branksome Place is a gorgeous Edwardian manor house; a truly idyllic setting for your special day. We can even pull out all the stops and arrange for a red carpet arrival.

But this elegant Grade II listed building offers much more than breathtaking beauty and historic grandeur. Here, it's the little details that make all the difference and our experienced team will help plan everything to perfection. Whether it's your reception, your ceremony or both, we'll make sure your day is as individual, exciting and memorable as you have always imagined.

An intimate occasion, on a grand scale

You no doubt have your own ideas about your special day, from the classic and timeless to the creative and quirky. Let your imagination run riot and create the day of your dreams or, if you are looking for inspiration, we can provide plenty of suggestions. We believe no two weddings should ever be the same.

Originally built in the early 1900s, Branksome Place was designed with space and flexibility in mind. Enjoy the light ambience of our lounge, with space for up to 100 for your ceremony and 65 dining guests. Alternatively take in the stunning views from our restaurant terrace, which accommodates 110 people.

For the longer guest list, our grounds offer almost endless possibilities. Make use of our marquee, complete with private bar and dance floor, enjoy some leisurely croquet on the lawn, round-off your event with a spectacular fireworks display. During your drinks reception, we'll keep the conversation flowing with tall Pimms, classic Kir Royales and decadent Bellinis as your guests enjoy a string quartet – or a steel band.

Sparkling conversation, sophisticated food

Dining at Branksome Place is all about exceptional produce, farm-fresh ingredients and flexible options: add some spice to proceedings with Indian-influenced flavours, opt for the quiet sophistication of French cuisine, or enjoy a rustic barbeque... you can really let your imagination run riot.

Our head chef is looking forward to meeting with you to talk through your ideas and explain the best seasonal produce. Of course, no meal would be complete without excellent wines and Champagne and we offer some of the finest vintages from French chateaux, as well as some lesser-known gems from around the world.

As the stars come out, we can help boost the energy levels with a wide selection of fine cheeses or, for something out of the ordinary, hearty hot dogs.

Where a magical morning awaits...

The memories needn't end with the last dance. As the party winds down, retire to your luxurious signature room and recline in style. In the morning, wake up to a sparkling Champagne breakfast with farm-grown strawberries. Where better to start your married life together?

Relax in a tranquil space to call your own

In our 60 luxury en-suite bedrooms, those home comforts are never far away. You'll find flat screen TVs and all the latest mod cons. But after a day of excitement, most guests head straight for the sumptuously inviting beds, complete with gorgeous soft linens.

After a long lie-in, meet up and re-live those moments over our breakfast of award-winning apple juices, local bacon and sausages, free-range eggs and freshly-ground coffee. Guests are then welcome to blow away any fuzziness with a stroll around the grounds, or recharge in our mini-gym.

Your home from home...

For the ultimate in exclusivity, we can give you the run of the house: the rooms, restaurant and grounds. Our team will be there to help whenever we're needed and, when we're not, we will happily merge into the background. Nothing is more important to us than your special day.

Stay a little longer

We believe that post-wedding glow should last well beyond the event itself. The next day, guests could venture out locally to explore Petworth House, Goodwood and the Devil's Punchbowl, or just enjoy the comfy armchairs and board games in the lounge. There's more than enough to do as you while away a few days.

The perfect end to the perfect beginning...
