

Welcome to Cheadle House...

An elegant retreat...

## ...for an enchanting celebration

Arriving at this magnificent Grade II listed Victorian mansion house, sensitively restored to its former glory, is just the start of the memories. Looking upwards from the reception area, the original old wooden beams stretch across the open atrium, while the recently refurbished interior is filled with calm modern tones and strikingly stylish furnishings.

It's hard to believe that this impressive 19th century building was once part of Cheadle Royal Hospital. Located near south Manchester, at the end of a landscaped Business Park, Cheadle House is now the perfect backdrop for your wedding. But it offers much more than historic grandeur. Here it's the little details that make all the difference and our experienced wedding co-ordinator will help plan everything to perfection.

Whether it's your reception, your ceremony or both, we'll make sure your day is as individual, exciting and memorable as you have always imagined.

## A unique day, an unforgettable occasion

You no doubt have your own ideas about your special day, from the classic and timeless to the creative and quirky. Let your imagination run riot and create the day of your dreams or, if you are seeking inspiration, we can provide plenty of suggestions. We believe no two weddings should ever be the same.

We offer plenty of choice and flexibility for your ceremony and reception. There is the impressive Whitegate function room, where 80 guests can enjoy a sit-down wedding breakfast. For the longer guest list of 150 we can put together an informal buffet. The adjoining bar opens out to the patio where guests can take their drinks while listening to a string quartet or jazz band – it's entirely up to you. Each room has its own character and can be dressed in as low key or as lavish a fashion as you like.

For a grand event, our gardens can also host a marquee for up to 120 guests on the lawn. Or have the entire mansion for your big day through our Exclusive Use Package.

A minute's stroll away is a picturesque lake complete with bridges and a fountain – a beautiful spot for your wedding photographs. Your guests can also gather in the patio for the ultimate wide-angle shot of the whole wedding party.

## Sensational dining for a sparkling occasion

Dining at Cheadle House is all about delicious farm-fresh ingredients and flexible options: enjoy tournedos of beef stuffed with mozzarella and shallot marmalade or tuck into griddled tuna served with a spicy salsa. Finish with a delectable white truffle torte with mint Chantilly, or a selection of fruits with a Champagne sorbet – there's plenty to choose from. We can even arrange for a sizzling barbecue to take place in the patio area.

Our head chef is looking forward to meeting with you to talk through your ideas and if you wish – put together a tailor-made menu. Of course, no meal would be complete without a carefully chosen wine list to complement your meal. We offer a comprehensive choice of wedding packages that offer various treats such as: hot and cold canapés on arrival, Champagne to 'toast' the speeches and full-bodied house wines with the wedding breakfast.

During your drinks reception, we'll keep the conversation flowing with jugs of Pimms, classic Kir Royales or a mulled wine punch. And as the stars come out, guests can boost their energy levels with a tempting evening finger buffet and a mouthwatering selection of cocktail sandwiches.

## A dream-like end to a magical day...

The memories needn't end with the last dance. As the party winds down, retire to your stunning penthouse suite, tucked privately away at the back of the house. Open your bottle of complimentary champagne, relax in the beautiful sunken bath, or just dive in to the deep, inviting bed. In the morning – wake up to a sparkling Bucks Fizz breakfast in the adjoining lounge or your private balcony. Where better to start your married life together?

## Space to curl-up or unwind...

In our 52 delightful en-suite bedrooms, those home comforts are never far away. You'll find TV with Sky Channels and tea & coffee tray. But after a day of excitement, most guests head straight for the comfortable beds, complete with lovely soft linens.

After a long lie-in, meet up and re-live those moments over our delicious full English breakfast and freshly ground coffee. Just what you need to revive yourself after your big day. Guests are then welcome to blow away any fuzziness with a workout in the nearby gym or a rejuvenating session in the sauna and steam room.

## Stay a little longer...

Your wedding is the perfect excuse for a little pampering and excitement – and we have both in abundance. Whether for your wedding day preparations or the day after, the professionals at Saks Hair & Beauty will take care of you. Conveniently located across from Cheadle House, it takes seconds to get there or, even better, arrange for them to come to you.

Or simply enjoy a chat in the fresh air by the lake in the adjoining Business Park. It's a great way to bond with the wedding party, focus your mind and loosen up for the day ahead. Or you can hire out the bar, with free flowing beers, bar snacks, a pool table and sky sports. Then we can arrange taxis to take you to the bright lights and bars in Manchester.

## The perfect end to the perfect beginning...
