

A majestic setting...

## ...for a magical day

Arriving at Latimer Place is just the beginning of the experience: weaving through the historic Latimer Village, past acres of unspoilt countryside and up the magnificent tree-lined driveway.

This home was always intended for special occasions and impressive celebrations. Owned by the Cavendish family from 1615 until after World War II, the building has welcomed many of the nation's most distinguished names including Charles I and II. The house you see today was built in 1836 and recent restoration work blends together the historic charm and those all-important modern touches.

Whether it's your reception, your ceremony or both, we'll make sure your day is as individual, exciting and memorable as you have always dreamed.

## Turn your ideas into reality

You no doubt have your own ideas about your special day, from the classic and traditional to the creative and quirky. If you are looking for inspiration, we can provide plenty of suggestions, or you're welcome to take the lead and let your imagination run riot. We believe no two weddings should ever be the same.

Here, amid 30 acres of picturesque parkland, we have room to accommodate even the most intimate or extravagant plans. There are three entirely separate venues, the largest capable of accommodating 200, so you're free to choose between the historic and the modern. You can take exclusive use of any of the three, making your day entirely personal to you and your guests.

Outside, the grounds offer wonderful views across the Chess Valley, the perfect spot for drinks, canapés, not to mention those soon-to-be cherished wedding photos.

## Sensational food for a sparkling occasion

Dining at Latimer Place is all about exceptional produce, farm-fresh ingredients and flexible options: enjoy traditional rump of marinated lamb, chateau potatoes, roasted root vegetables with a tomato and rosemary jus, or opt for the fresh zesty flavours of grilled sea bass, crushed new potatoes, sautéed courgette and orange dressing. Finish with exquisite strawberry and Champagne torte with a raspberry and summer berry coulis or pear and almond fragipane, pouring cream and a bitter chocolate sauce – the options are endless.

Our head chef is looking forward to meeting with you to talk through your ideas and explain the best seasonal produce. No meal would be complete without excellent wines and Champagne and we offer some of the finest vintages from French chateaux, as well as some lesser-known gems from around the world.

During your drinks reception, we'll keep the conversation flowing with tall Pimms, classic Kir Royales or flutes of Champagne as your guests enjoy live music of your choosing. Then, as night falls, we can boost the energy levels with a platter of local cheeses or, for something out of the ordinary, hearty hotdogs.

## A dream-like end to a magical day...

The memories needn't end with the last dance. As the party winds down, retire to your luxurious bedroom and recline in style. In the morning, enjoy a Champagne breakfast in bed while you take in the views across the peaceful Chiltern countryside. Where better to start your married life together?

## Space to curl-up or unwind...

With 197 luxury en-suite rooms, your guests can be sure of completing their day at Latimer Place in classic style, with no shortage of mod cons and free high-speed internet access for all. There are also 25 rooms in the Manor House, many of which have their own charming historic features as well as commanding countryside views.

After a long lie-in, meet up and re-live those moments over our breakfast of local bacon and sausages, free-range eggs and freshly-ground coffee. Guests are then welcome to blow away any fuzziness in the indoor pool, mini-gym, spa bath or sauna or step outside and explore the grounds.

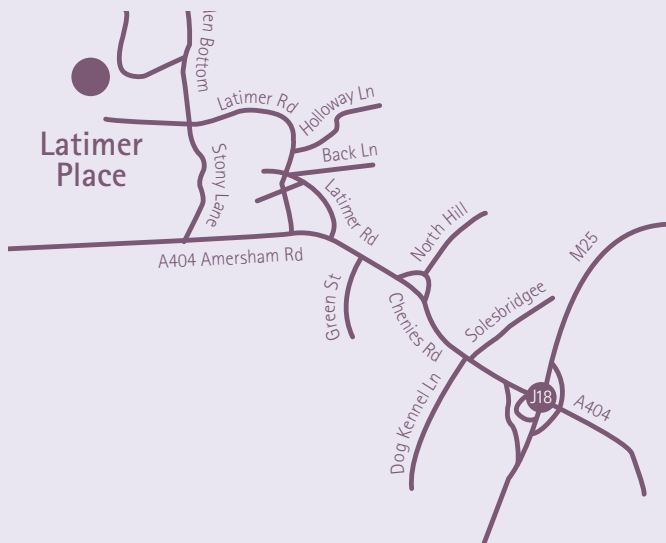

## Stretch out in style...

Your wedding is the perfect excuse for a little adventure and relaxation, before and after the ceremony. With 30 acres of beautifully landscaped grounds and wild woodland to explore, there are plenty of opportunities to stretch your legs, gather your thoughts and enjoy the fresh country air.

Alternatively, you could stay closer to home and make use of our extensive facilities. Line up a five-a-side football tournament with family and friends, try your hand at a spot of croquet, or enjoy an invigorating workout in our pool and mini-gym. It's a great way to bond with the wedding party, clear your mind and loosen up for the day ahead.

## The perfect end to the perfect beginning...
